

# Glastonbury Parks and Recreation Awesome Adventures Camp

## Guidelines & Details

### THE STAFF

The child to staff ratio is 15:1. Our staff consists of college age or older individuals who have had some experience working with this age group. The Director and Site Coordinators are certified in first aid and CPR.

### OFF-SITE TRIPS

Transportation by school bus is provided for all off-site activities and trips. Trips and off-site activity admissions are included in the fee for the camp.

**Spending money is not included.**

While many smaller field trip locations offer an opportunity for campers to participate in activities as a group, several locations also afford an opportunity for more independence. **Please be aware that on certain field trips (Lake Compounce, Six Flags, Brownstone, Ocean Beach, Powder Ridge and others)** campers will be on his/her own with a buddy. Check-ins will occur periodically to an assigned staff member at a designated location/time. Additionally, Camp Staff will be around the facility and one will be posted at a designated location at all times in the event campers need them. Please make sure you and your child are comfortable and prepared for this type of independence.

**Please note that we do not permit drop off or pick up at field trip locations. Campers must travel to and from ALL field trips with camp staff on transportation provided by the camp.**

### LUNCH

Please send your child with a lunch and beverage that does not need to be refrigerated for on-site days and days where field trips do not provide lunch. On certain field trip days, campers may have the opportunity to purchase lunch at the field trip. Please send money with your child if they will be purchasing lunch on a field trip. **Campers will not be permitted to leave the camp to purchase lunch or have food delivered to camp.**

### BEHAVIOR

Safety, respect for others, and a positive experience are our most important priorities. At camp, staff will discuss their expectations for appropriate behavior and the consequences if they are not followed. We will attempt to curb any inappropriate behavior, however, situations may still occur. If a problem continues, the coordinator of the camp will discuss the situation with you and

attempt to come to some solution. While it is not our policy to discourage participation due to behavior problems, we are limited as to what we may be able to do to work with you to improve the situation. **In cases where there is no marked improvement, the child may be asked to stay home a day and/or be removed from the program.**

Talk with your child on the days camp has met to be sure he/she is having a positive experience. Please inform the Director of any issues your child may be experiencing.

### CAMPER SHIRTS & WRISTBANDS

All campers will receive an Awesome Adventures camp shirt on their first day of camp. Campers will also be given wristbands daily to help identify them as participants in our program. While we do not require campers to wear their camp shirts, it is helpful so staff can easily pick them out in a crowd.

### EXCESSIVE HEAT/HUMIDITY

During periods of excessive heat/humidity, send your child with plenty of liquids (Water & Juice), dressed in appropriate light weight, light color, loose fitting clothing. Be sure they wear sunscreen. We will limit strenuous activity, take frequent breaks, and do our best to stay in shaded areas or indoors during the hottest part of the day. **Some Facilities and buses are not air conditioned.** Please pay attention to the schedule of activities. If you have concerns about your child, please consider keeping them home when high heat/humidity advisories are in effect.

### ADDITIONAL FEES

Additional spending money for off-site activities is not required, but is recommended. Those trips that require money for lunch are detailed in your program calendar. Examples of things that may cost additional money are lockers, video games, snacks and/or souvenirs at field trip locations.

### DROP-OFF/PICK-UP

Camp drop-off and pick-up will be at the Riverfront Park Boathouse Pavilion (252 Welles Street). We can only guarantee that supervision, on regular camp days, will be provided as indicated in the program calendar.

A late fee will be charged to Parent/Guardians picking their child up after the set pickup time for camp. A 10-minute grace period will be given and then a fee of \$15 will be charged for every 15

minutes late that a child is picked up. This fee may be paid in cash to the staff members waiting with your child or you may choose to be billed in MyRec. Children who have not been picked up on time may be brought to the Youth & Teen Center for pick-up and parents will be responsible for paying the late fee in addition to the daily fee.

**Please note that we do not permit drop off or pick up at field trip locations. Campers must travel to and from ALL field trips with camp staff on transportation provided by the camp.**

## **SIGN IN/OUT PROCEDURE**

The schedule at the camp varies including quite a bit of activity off-site. Thus, it is essential that staff have a complete list of campers at camp each day.

A staff member will greet campers at the Pavilion. Campers must sign in with their designated group and indicate how they are getting home. At the day's end, campers must sign themselves out of camp and verify how they are getting home.

For your child's protection, we ask that you provide us with a written notice for the following reasons:

- If you plan to pick your child up early.
- If you are authorizing someone, other than yourself or anyone listed on the authorized pick up form when you registered, to pick-up or drop-off your child.
- If your child walks or bikes to camp. Walkers/ bikers must remain at camp until closing unless you inform us otherwise.
- If your child is staying at the Youth & Teen Center once camp is over.

## **YOUTH & TEEN CENTER**

No need to pay \$15 late fees! As an option for parents who may not be able to pick their children up at 3:00 p.m., for an additional fee of \$5/day or \$39 for the whole summer, camp participants can attend the Youth & Teen Center after camp. The Center is open during the summer Tuesday-Thursday until 6:00 p.m. **Parents wishing to utilize the Center must provide a note allowing their child to go to there once Child Camp is over.** Campers will be bussed from the Riverfront Park Boathouse Pavilion to the Youth & Teen Center.

## **HEALTH & HYGIENE**

Campers should engage in hand hygiene as often as possible. If a camper is not feeling well, they

should report that to camp staff ASAP. Any camper not feeling well will be sent home and will need to be picked up by their parent. Campers should not return to camp until they are symptom free for 24 hours.

## **MEDICATION ADMINISTRATION**

If your child is on medication, or requires medication in the event of an emergency (i.e., food allergy, asthma, etc.), you must request and complete an Authorization of Administration of Medication Form (even if your child will self-administer) and return it to the Parks and Recreation Office **prior to the start of camp**. Please note that this form requires both a Parent AND physician signature. You may use a school form provided it is not expired.

You may also be required to provide a written treatment form from your physician with specific instructions detailing how and when medication is to be given.
